

Cuis Smalltalk

"Yay, Juan. You GO, guy! ...a great example of malleable software (and a clever mind) at work."

Dan Ingalls

"I like it... It's nice and clean and simple and pretty. Nice stuff!"

Alan Kay

"I think you have a very elegant design aesthetic." John Maloney

Cuis is a modern, Open Source, multiplatform, Smalltalk-80 system.

Cuis is:

- Small
- Clean
- Appropriable

Additionally, Cuis is:

- Open Source
- Multiplatform

Like other Smalltalk systems, Cuis is also:
